WORK EXPERIENCE

Juli Iráam

Jan 2022 - Present

Founder, Fashion Designer

Cumming, GA

- Led end-to-end development, overseeing apparel design and construction, set/industrial design, and website creation.
- Generated \$2,000+ in profit within the first three months of operation without paid advertising.
- Designed and produced 20+ original garments within the first year, managing all aspects of production from concept to execution.

Alexander McQueen

Oct 2025 - Present

Senior Collection Mentorship with Simon Ugless

Atlanta, GA

- Designed and developed eight final looks for a senior collection under the mentorship of Alexander McQueen textile designer Simon Ugless.
- Engineered experimental textiles incorporating cement, asphalt, scaffolding, and other unconventional industrial materials.
- Invented and patented the Screw Garment Fastener® trim, created specifically for the collection.

MSCHF

Aug 2025 - November

SCADPro Fashion Design Internship

Atlanta, GA

- Designed and developed 10+ experimental water-soluble garment prototypes as part of conceptual fashion projects.
- Served as assistant editor on an anti-fast fashion mood film "Solvi", contributing to visual storytelling and concept execution.
- Presented design development, final garments, and project deliverables to the MSCHF Creative Direction team.

Urban Outfitters

Mar 2023 - May 2024

Assistant Stylist

Alpharetta, GA

- Assisted customers by leveraging product knowledge and assortment, completing 300+ successful customer transactions.
- Managed BOH inventory consisting of 500+ SKUs through organization and digital categorization for easy retrieval and product replenishment.

Altura Social

Jun 2018 - May 2022

Part-Time Production Assistant

Cumming, GA

- Filmed content for major broadcast partner Telemundo, supporting professional media production workflows.
- Assisted in editing 20+ video pieces highlighting local businesses for digital and broadcast platforms. Operated advanced camera rigs and applied professional video techniques to capture high-quality footage.

AWARDS/RECOGNITIONS

SCAD Academic Achievement Scholarship

2023 - Present

- Demonstration of overall academic achievement, recognizing strong academic performance and creative talents.

SCAD Fashion Research Grant

2023

- Recipient of a \$1,000 grant to conduct garment wash testing. Collaborated with professor Yasha Morehouse on a selected original design; executed controlled wash studies using specified parameters to analyze fabric performance over a two-month period.

VOLUNTEER EXPERIENCE

ChildCareCareers

Mar 2023 - Nov 2024
